

Painting Solutions. Expert Results.

Graco Inc. is the worldwide leader in painting equipment. Since the introduction of the first portable, electric-powered paint sprayer to the marketplace in 1958, Graco equipment has been known for top quality, reliability, value and exceptional performance.

Graco's painting equipment is the top choice of serious do-it-yourself homeowners, remodeling contractors, handymen and other tradesmen who want to finish the job fast, with top-quality results. Whatever your painting needs, you can find a Graco unit that's right for you.

According to Frost & Sullivan, "U.S. Painting Contractors overwhelmingly rate Graco as the best overall brand of spray equipment and is considered the 'Overall Best' brand among all paint-related products." When it comes to making a choice, Graco is preferred 7 to 1 over the nearest competitive brand.

Warranty

Refer to the operating manual for complete details on limited 1 year warranty.

Airless Paint Sprayers and Accessories

Why Airless Spray?

It's Fast.

- Spraying is up to 10 times faster than brushing and up to 4 times faster than traditional rolling.*
- Pressure rolling is over twice as fast as rolling by hand.*

Great Finish and Uniform Coverage.

- Graco paint sprayers apply paint easily to a variety of smooth or rough surfaces.
- Sprayers produce consistent finish quality on any surface with better paint distribution.

It's Versatile.

- Spray most common coatings or use a pressure roller attachment for interiors or backrolling.
- Add accessories to increase your productivity and save time. For example, tip extensions eliminate the need for ladders in hard-to-reach places.

It's more affordable than renting.

- Designed with your needs in mind, these units are an affordable way to get into airless spraying.
- The sprayer pays for itself in just a few projects.

*Production times provided are based on application time only.

†Some manufacturers provide spray tip recommendations on their product label. If no spray tip recommendations are provided, use the spray tip selection chart as a general guide.

How Do I Choose the Right Sprayer?

Ask yourself these 5 simple questions:

- How often will I spray?**
Periodically Quarterly Monthly Twice monthly
- How many gallons (liters) will I apply per year?**
Estimating annual usage helps determine the duty performance for the sprayer that will best meet your needs. Determine the number of projects you might do every year and multiply by the gallons anticipated per project. A typical home exterior requires 30 to 40 gallons.
- What sprayable coatings will I use?**
Light (stains or enamels) Medium (primers or interior latex) Heavy (exterior latex or 100% acrylics)
- What tip sizes can I use?** (See *Spray Tip Selection chart below.*)
The coating (paint) thickness you're spraying determines the minimum tip size required. Heavier coatings require larger tip sizes†. It is important that you select a model that can support the tip size(s) you need.†
- What types of surfaces and projects will I be spraying?**
Interiors? Houses? Fences? Decks? Rental Property? Commercial Buildings?

**Usage guidelines (yearly gallons) are intended to help with product selection. With routine maintenance and care, your sprayer will last many years.

Magnum® Project Painter Plus (257025)

Finish Small and Large Home Projects Fast!

Recommended Annual Usage
50
GALLONS PER YEAR*

- Spray directly from 1 or 5 gallon container for small to large projects
- Compact design stores gun and extra tips

Includes:

- SG2™ Metal Spray Gun with full trigger and in-handle filter
- 515 Reverse-A-Clean® (RAC®) IV SwitchTip™
- 1/4 in x 25 ft (6.4 mm x 7.5 m) DuraFlex™ Paint Hose
- Pump Armor™ Storage Fluid (8 oz)
- Operational DVD and Quick Start-up Guide

Magnum X5 (262800)

Complete More Home Improvement Painting Projects!

- Higher pressure than Project Painter Plus to spray heavier coatings
- Stainless steel piston pump has longer life to spray more often

Includes:

- SG2 Metal Spray Gun with full trigger and in-handle filter
- 515 Reverse-A-Clean (RAC) IV SwitchTip
- 1/4 in x 25 ft (6.4 mm x 7.5 m) DuraFlex Paint Hose
- AutoPrime™ assures reliable startup every time
- Pump Armor Storage Fluid (8 oz)
- Operational DVD and Quick Start-up Guide

Recommended Annual Usage
125
GALLONS PER YEAR*

Magnum X7 (262805)

Complete More Home Improvement Painting Projects!

- Convenient cart to move paint and sprayer around the job
- Supports a larger tip size than X5 to spray heavier coatings, faster

Includes:

- SG2™ Metal Spray Gun
- 515 Reverse-A-Clean (RAC) IV SwitchTip
- 1/4 in x 25 ft (6.4 mm x 7.5 m) DuraFlex Paint Hose
- AutoPrime assures reliable startup every time
- Pump Armor Storage Fluid (8 oz)
- Operational DVD and Quick Start-up Guide

Recommended Annual Usage
125
GALLONS PER YEAR*

Recommended Annual Usage
500
GALLONS PER YEAR*

Magnum ProX7 (261815)

Exceptional Durability, Long Lasting Pro Sprayer!

- Delivers 10% more output than Magnum X7
- ProX™ piston pump for longer life and easy repairability
- DC motor delivers long-life & supports longer extension cord
- Premium metal gun with hose swivel and 50 ft hose

Includes:

- SG3 Metal Spray Gun with built-in hose swivel
- 515 Reverse-A-Clean (RAC) IV SwitchTip
- 1/4 in x 50 ft (6.4 mm x 15 m) DuraFlex Paint Hose
- AutoPrime assures reliable startup every time
- InstaClean™ Pump Filter
- Pump Armor Storage Fluid (8 oz)
- Operational DVD and Quick Start-up Guide

Recommended Annual Usage
300
GALLONS PER YEAR*

Magnum ProX9 (261820)

Exceptional Durability, Long Lasting Pro Sprayer!

- Delivers 12% more output than Magnum ProX7, supports larger tip size
- ProX piston pump for longer life and easy repairability
- DC motor delivers long-life & supports longer extension cord
- Premium metal gun with hose swivel and 50 ft hose

Includes:

- SG3 Metal Spray Gun with built-in hose swivel
- 515 Reverse-A-Clean (RAC) IV SwitchTip
- 1/4 in x 50 ft (6.4 mm x 15 m) DuraFlex Paint Hose
- AutoPrime assures reliable startup every time
- InstaClean Pump Filter
- Pump Armor Storage Fluid (8 oz)
- Operational DVD and Quick Start-up Guide

Recommended Annual Usage
500
GALLONS PER YEAR*

Reverse-A-Clean (RAC) 5 SwitchTips

- Highest quality finish and available in a variety of sizes
- Reverse the handle to quickly clean material clogs

RAC 5 Spray Tips 286xxx

(For part number replace xxx with 3 digit number below.)

		LIGHT		MEDIUM		HEAVY
		Stains	Enamels	Primers	Interior Paints	Exterior Paints
FAN WIDTH	In					
	(mm)					
	6-8	(152-203)	311	313		
	8-10	(203-254)	411	413	415	417
	10-12	(254-305)			515	517
12-14	(305-336)					519
Flow rate (gpm)		.12	.18	.24	.31	.38
Flow rate (lpm)		.45	.68	.91	1.17	1.44

Example — For a .011 in hole and a 6 in (152 mm) fan pattern, order tip 286311. Flow rating with water at 2000 psi (138 bar).

Airless Paint Hoses and Connector

- 238358 3 ft x 3/16 in (0.9 m x 4.8 mm) Airless Whip Hose, provides more flexibility and increases operator control
- 240793 25 ft x 1/4 in (7.5 m x 6.4 mm) Airless Hose
- 240794 50 ft x 1/4 in (15 m x 6.4 mm) Airless Hose
- 156971 1/4 in x 1/4 in (6.4 mm x 6.4 mm) connector

Tip Extensions

- Attach to any Graco airless spray gun to extend your reach
- Ideal for spraying ceilings, overhangs and decks

243297 – 20 in (50 cm) 243298 – 30 in (75 cm)

Heavy-Duty Extension (232123)

- 40 in (100 cm) extension connects directly to any Graco airless spray gun
- Extends reach when spraying or pressure rolling

Straight Hose Swivel (224457)

- Provides a swivel joint between gun and hose for increased flexibility
- Reduces fatigue while spraying and rolling

Pump Armor Storage Fluid (243103)

Protects your pump when not in use. Simply fill your pump with Pump Armor and leave it in until you use your sprayer again. 1 qt (1 l)

SG2 Metal Spray Gun (257359)

- In-handle paint filter reduces tip clogs and improves finish
- Full Trigger (4-finger) is comfortable when spraying for long periods of time
- Trigger pull is 30% lighter than competitors for easy operation and less fatigue
- Includes 515 Reverse-A-Clean RAC 5 SwitchTip and hand-tight, no-tools tip guard

SG3 Deluxe Metal Spray Gun (246506)

- Built-in swivel provides easy gun movement without tangling hose
- EasyAccess™ paint filter reduce tip clogs and improves finish
- Full Trigger (4-finger) is comfortable when spraying for long periods of time
- Includes 515 Reverse-A-Clean RAC 5 SwitchTip and hand-tight, no-tools tip guard

RAC 5 Hand-Tight Guard (243161)

- Used with RAC 5 SwitchTips
- Hand-tight base – no tools needed to install or remove
- 7/8 in (22 mm) thread fits all Graco spray guns

RAC 5 OneSeal™ (243281)

- Replacement seal for latex and solvent-based materials
- Used with RAC 5 SwitchTips

Pressure Roller Kit (244279)

- Attaches directly to spray gun – roll when you can't spray
- Eliminate the roller tray – simply trigger the gun for more paint and keep rolling!

Pressure Roller Covers 9 in (23 cm)

Top-quality covers ensure a superior surface finish

- 107589 3/8 in (9.5 mm)
- 107590 1/2 in (13 mm)
- 107591 3/4 in (19 mm)
- 107592 1 1/4 in (32 mm)
