

Wagner W95 Exterior Sprayer

\$95.00 INCL. GST

Product Images

Short Description

The Wagner W95 Exterior Sprayer is a lightweight, affordable alternative to painting large areas by hand. Using airless atomisation, it sprays a low mist, giving you a seamless beautiful result

Description

The W95 Exterior Sprayer is ideal for spraying wooden garden fences, wooden gates and lattice with light-bodied materials such as fence stains & lacquers.

Comes complete with a 0.8mm round nozzle for optimal spray pattern. Initially set-up to spray water based paints, however different swirl valves and nozzles are available as accessories for spraying different materials.

This product carries a 3+1 year DIY warranty.
