Short Description

Wagner Control Pro 350 Extra Skid DIY Airless Sprayer is great for small to medium DIY projects at home.

Description

Wagner Control Pro 350 Extra Skid DIY Airless Sprayer is great for small to medium DIY projects at home.

High Efficiency Airless: Innovative technology that allows users to spray with highest controllability and performance under reduced system pressure.

Less overspray: Reduced pressure leads to a softer and more controllable spray resulting in reduced overspray.

Maximum control: Slightly feathered edge allows for better finish when overlapping spray patterns.

Less fatigue: Reduced pressure in the system results to less bounce back of gun and lower trigger pull force.

Longer Equipment Life: Lower spraying pressure puts less stress on the system.

This product carries a 3+1 year DIY warranty.
