Short Description

Atomex AX/GM-60000 Outlet Valve Complete will suit all models of Atomex GM-60E, GM-70G, LM-70, Oldfields EL-600, GE-700 & Seiwa S60E airless sprayers and line marking machines.

Description

Atomex AX/GM-60000 Outlet Valve Complete includes all items needed when replacing a worn outlet valve. Outlet valves are a critical component in diaphragm airless sprayers, wear & tear on the ball and seat will result in loss of pressure when spraying.

Replacing the outlet valve is considered periodic maintenance and should be changed when servicing your airless sprayer.

Atomex AX/GM-60000 Outlet Valve Complete includes the following items-

- 1 x AX/GM-60006 Union End Cap
- 1 x AX/GM-60007 Union End Cap Seal
- 1 x AX/GM-60008 Outlet Valve Spring
- 1 x AX/GM-60009 Outlet Valve Spring Support
- 1 x AX/GM-60010 Carbide Steel Ball
- 1 x AX/GM-60011 Outlet Valve Seat
- 1 x AX/GM-60012 Outlet Valve Sealing Washer

Atomex AX/GM-60000 Outlet Valve Complete will suit -

- Atomex GM-60E Electric Airless Sprayer
- Atomex GM-70G Petrol Airless Sprayer
- Atomex LM-70 Petrol Line Marker
- Oldfields 600E Electric Airless Sprayer
- Oldfields 600GE Petrol Airless Sprayer
