Product Images

Short Description

Atomex AX/GM-60001A Suction Valve Seat will suit all models of Atomex GM-60, GM-70G and LM-70. Will also suit Oldfields and Seiwa Airless Sprayers.

Description

Atomex AX/GM-60001A Suction Valve Seat Only is used to recondition your suction valve with a replacement cone and seat. The seat needs to be pressed into the suction valve body and should be replaced as a pair with AX/GM-60001B. If both items are not purchased as a set warranty will be void.

This will suit the following models of airless sprayers –

- Atomex GM-60E Electric Airless Sprayer
- Atomex GM-70G Petrol Airless Sprayer
- Atomex LM-70 Petrol Line Marker
- Seiwa 60E Electric Airless Sprayer
- Oldfields 600E Electric Airless Sprayer
- Oldfields 600GE Petrol Airless Sprayer
- Oldfields 700GE Petrol Airless Sprayer
- Oldfields 700GE Petrol Line Marker

Atomex Part No. AX/GM-60001A
