Description

Suitable for small to medium sized precision spraying tasks, the Wagner W200 Wood & Metal Sprayer is an excellent choice for spraying doors, skirting boards, architraves, trims, furniture, wooden toys and much more.

Wagner Wood & Metal Sprayers have been designed with the patented 'Click & Paint' system which allows for the front end containing the wetted parts to be quickly and easily removed from the gun.

- HVLP (High Volume Low Pressure) system with new gun design
- Click & Paint gun design allows the front end and gun to be quickly and easily separated in under 5 seconds
- The On/Off trigger on the gun activates the motor so that it only runs when spraying, increasing the life of the unit
- Three stage adjustable paint jet horizontal, vertical and round
