Short Description

Atomex 1/4" x 15m 4000psi Rated Airless Paint Spray Hose includes 1/4" NPT Female Fittings that will connect to any airless paint sprayer and gun.

Description

Atomex 1/4" 4000psi Rated Airless Paint Spray Hose is the most standard hose size used on airless paint sprayers.

Atomex 1/4" 4000psi rated airless paint hoses are available in a variety of custom lengths. Compatible with all brands of airless spray guns, airless sprayers and airless paint hoses.

Airless paint spray hoses can be joined together using a joining nipple to make a longer length but please check the specifications of the airless paint sprayer that you have to ensure you do not exceed the maximum length recommended.

Atomex Part No. AX/05-200-154

Replaces Graco Part No. 240794

Replaces Graco Part No. 277250

DO NOT apply thread tape to the fitting on your airless spray gun or joining nipple, airless paint hoses use seated fittings and **DO NOT** require thread tape. Using thread tape may cause damage to the fitting on the airless paint hose and will probably cause it to leak.
