

# Atomex 3/8" 3400psi Airless Paint Hose - Custom Length

As low as  
**\$34.97**

## Product Images

## Short Description

Atomex 3/8" 3400psi Airless Paint Hose Custom Length includes 3/8" NPT Female Fittings that will connect to any airless paint sprayer and gun that uses a 3/8" outlet.

## Description

---

Atomex 3/8" 3400psi Rated Airless Paint Spray Hose is useful for thicker paint products where more flow is required.

Atomex 3/8" 3400psi rated airless paint hoses are available in a variety of custom lengths. Compatible with most brands of airless spray guns, airless sprayers and airless paint hoses that have 3/8" fittings.

Airless paint spray hoses can be joined together using a joining nipple to make a longer length but please check the specifications of the airless paint sprayer that you have to ensure you do not exceed the maximum length recommended.

Atomex Part No. AX/05-900-075

Replaces Graco Part No. 240796

**DO NOT** apply thread tape to the fitting on your airless spray gun or joining nipple, airless paint hoses use seated fittings and **DO NOT** require thread tape. Using thread tape may cause damage to the fitting on the airless paint hose and will probably cause it to leak.
