## Product Images

## Short Description

Atomex Push In Gun Filter 100 Mesh Yellow will suit all Atomex and Wagner professional high pressure airless spray guns.

## Description

Atomex Push-In Gun Filter 100 Mesh Yellow will suit all Atomex and Wagner professional high pressure airless spray guns.

100 mesh gun filter is designed for use when spraying water based gloss, enamel, 2K and slightly thinner materials with tip sizes between 0.013" & 0.015".

100 mesh gun filters can be used with 0.017" tip if you are experiencing too many blockages when using a 50 mesh or white filter.

Made to the highest quality in Italy.
