## Product Images

## Short Description

DeVilbiss GTi Pro fluid tip nozzles are made of stainless steel and available in sizes 1.1mm, 1.2mm, 1.3mm,

1.4mm & 1.5mm.

## Description

---

The DeVilbiss GTi Pro spray gun fluid tip nozzle sizes available -

1.1mm Stainless Steel Fluid Tip Nozzle

1.2mm Stainless Steel Fluid Tip Nozzle

1.3mm Stainless Steel Fluid Tip Nozzle

1.4mm Stainless Steel Fluid Tip Nozzle

1.5mm Stainless Steel Fluid Tip Nozzle

Fluid tip nozzles do wear over time and to keep your gun at maximum performance we recommend changing these. Don't forget to change the fluid needle when replacing a worn nozzle, the components work hand in hand. Spare nozzle is also handy to change the fluid size set up of your gun.
