## Product Images

## Short Description

DeVilbiss GTi Pro Spray Gun fluid needle will fit all three nozzles sizes 1.2mm, 1.3mm & 1.4mm

## Description

---

The DeVilbiss GTi Pro spray gun fluid needle will fit the following nozzle sizes:

1.2mm Stainless Steel Fluid Tip Nozzle

1.3mm Stainless Steel Fluid Tip Nozzle

1.4mm Stainless Steel Fluid Tip Nozzle

Fluid needles do wear over time and to keep your gun at maximum performance we recommend changing these. Don't forget to change the fluid nozzle when replacing a worn needle, these components work hand in hand.
