Short Description

The DeVilbiss GPi spray gun comes with the specially developed GP1 "High Efficiency" air cap and a choice of 1.2, 1.4, 1.6 or 1.8mm fluid tips designed to spray a wide range of materials including enamels, synthetics, primers, 2 pack commercial paints as well as materials that demand high or fast application rates.

DeVilbiss GPi Spray gun has been discontinued and replaced with the DeVilbiss GPG

Please also consider the DeVilbiss FLG-5 as a comparable quality replacement spray gun

Every bodyshop has a need for a General Purpose spray gun. Some relegate a worn out or cheap gun to these duties and generally, finish quality and reliability suffers, often leading to expensive re-work.

Now DeVilbiss is offering a cost-effective alternative enabling bodyshops to benefit from i-system standard atomisation and performance at a price every bodyshop can afford.

The DeVilbiss GPi spray gun comes with the specially developed GP1 "High Efficiency" air cap and a choice of 1.2, 1.4, 1.6 or 1.8mm fluid tips designed to spray a wide range of materials including enamels, synthetics, primers, 2 pack commercial paints as well as materials that demand high or fast application rates.

The forged aluminium gun body is virtually identical to the legendary DeVilbiss GTi Pro and instead of being anodised, features the traditional polished finish therefore keeping costs down, while maintaining optimum performance and comfort.

F.A.Q. (Frequently Asked Questions) about DeVilbiss Spray Guns

Are these genuine DeVilbiss spray guns?

Yes, we only sell genuine DeVilbiss spray guns and parts. AA Spray are an authorised Australian DeVilbiss, Binks & Ransburg distributor and authorised repair service agent.

Are DeVilbiss spray guns made in the UK?

Yes, all DeVilbiss spray guns are manufactured in the UK.

Why are our prices cheaper?

AA Spray bulk buys DeVilbiss spray guns which enables us to offer lower prices, we do make less money but we also sell more guns. This keeps our customers happy and we keep our staff employed.

Does the DeVilbiss GPi spray gun include the plastic cup?

Yes it does.

Does the Devilbiss spray gun come with warranty?

Yes, all guns have 12 months warranty and the warranty is supported by DeVilbiss. Guns purchased overseas may not be covered by warranty in Australia.

I have seen DeVilbiss guns on ebay for half the price?

Generally speaking, if you see a DeVilbiss spray gun advertised incredibly cheap on Ebay then it is probably a knock off. Check where the seller is located, if they are an Australian seller and they have a legitimate business then this will be genuine. If the seller is located in Hong Kong, or China then the gun will be a copy or knock off. Ebay has plenty of dodgy DeVilbiss guns for sale.

If I purchase a gun today, when will it be sent?

All on-line orders before 4.00pm Monday to Friday will be despatched the same day. Generally deliveries take anywhere between 1-3 working days depending on your location.

Can I buy a DeVilbiss gun in your store?

Yes, our store is open from 8.00am - 5.30pm Monday to Friday, we hold all models in stock and these can be purchased over the counter. Our address is 29 Carlingford, St, Regents Park NSW 2143

Can I call and ask questions?

Yes, our store is open from 8.00am - 5.30pm Monday to Friday and you can contact on phone number (02) 9644 1040

How long has AA Spray been in business?

Our business was started in 1993 and we sell most major brands of airless spray and spray painting equipment for automotive, painting contractors, line markers and industrial paint applicators.
