Product Images

Short Description

The GH 230 Convertible airless sprayer is built with a proven Honda 200cc engine. This sprayer is ideal for spraying heavier materials in demanding applications. The GH 230 can handle spraying elastomerics, block fillers, gypsum, and dry fall. It also has the ability to change out the pump lower and convert to electric power

without tools.

The High-efficiency hydraulic motor pump delivers rock-solid performance. Equipped with Graco's Endurance Pump - The most rugged and reliable pump on the market.

Description

The GH 230 Convertible airless sprayer is built with a proven Honda 200 cc engine. This sprayer is ideal for spraying heavier materials in demanding applications. The GH 230 can handle spraying elastomerics, block fillers, gypsum, and dry fall. It also has the ability to change out the pump lower and convert to electric power without tools.

The High-efficiency hydraulic motor pump delivers rock-solid performance. Equipped with Graco's Endurance Pump - The most rugged and reliable pump on the market.

High Efficiency Hydraulic Motor

- Faster and a more responsive changeover
- High precision pressure control
- 100% O-Ring sealed fittings to prevent leaks
- Fewer moving parts for easier maintenance and a longer life

Graco Endurance Pump

- Proven design and performance
- Exclusive chromex rod delivers excellent durability and life
- Exclusive QuickChange Pump System and QuickAccess intake valve eliminates downtime

Easy Out Pump Filter

- Designed to filter from the inside out
- Filters won't get stuck or collapse when filled with dirt or debris
- Less clogged filters with easy out design
- Vertical filter removes with the cap for less mess
