Description

The TexSpray Mark IV is designed to save you time and money by allowing you to spray more square footage in a day. Built for serious professional contractors, this unit includes must-have features to increase your productivity with all texture finishes, including the wide range of primers and paint.

Work Smarter, Finish More Jobs. TexSpray Mark ProContractor Series electric airless texture sprayers are designed to deliver speed & performance so you can get to the next jobsite faster and increase your profits.

New Endurance Vortex MaxLife Piston Pump

- Breakthrough vortex rotating rod technology.
- Lasts 6X longer between repacks with innovative MaxLife technology.
- Oversized passages for high velocity flow to rotate piston for even wear Longest life packings and piston rod Long life ceramic and stainless steel balls included for maximum versatility.

MaxFlo 2 with Pack-Out Protection

- Less pack-out, more productivity.
- Self-cleaning Vibra-Seal Technology eliminates material build-up.
- Continuous spraying with True Pack-Out Protection for more productivity.
- Optimised fluid passageways for the heaviest coatings.

SmartControl 4.0 with ProGuard Protection System

- Precision pressure control.
- Lowest dead band at any pressure delivers a consistent spray fan without pressure fluctuation.
- Prevents electrical damage from extreme jobsite power conditions.
- WatchDog Pump Protection System automatically prevents pump damage if the material supply is too low.

QuikReel Hose Management System

- Easy Hose Management .
- Deploy and rewind up to 300 feet of hose in seconds.
- No twisting, kinking, and coiling. Use only the hose you need — the rest stays on the reel.

BlueLink Job & Sprayer Management System

- Streamline your business.
- Track every sprayer: Exact location & hourly productivity.
- Know job progress: On demand productivity facts and reporting from anywhere.
- Maximize uptime: Set maintenance schedules, alerts, & jobsite notes.

FastFlush 2 System

- Fast cleaning now even FASTER.
- Clean the pump 6X faster using ½ the water.
- High-velocity fluid flow delivered with 60% higher motor speed.

MaxPower Motor & Precision Advantage Drive

- Proven power and performance for all painting applications.
- High-torque brushless design.
- The longest lasting drive.
- Hardened steel gears provide extremely quiet operation.
