Short Description

Atomex Pressure Gauge 6000psi Bottom Entry with 3/8" x 3/8" M-F Tee Piece is designed for machines that have a 3/8" fluid outlet where you would like to add a pressure gauge and connect a 3/8" paint hose.

Description

Atomex Pressure Gauge 6000psi Bottom Entry with 3/8" x 3/8" M-F Tee Piece is designed for machines that have a 3/8" fluid outlet where you would like to add a pressure gauge and connect a 3/8" paint hose.

This is a must have for anyone that uses an airless sprayer, accurately adjust the pressure of your machine to reduce over spray and save paint.

Atomex Pressure Gauge with Tee Piece Features –

- NPT Threads – Suitable for all airless sprayer connections on brands such as Airlessco, Atomex, ASM, Binks, Graco, Wagner and Titan.
- 3/8" swivel nut will easily fit onto your machine fluid outlet.
- Filled with liquid glycerine to reduce needle vibration.
- Standard 63mm diameter pressure gauge with stainless steel casing.
- Extra large font for easy reading.
- This gauge mount does not swivel once tightened.
- Pressure rated to 6000psi
