The TexSpray 5900 HD is built with must-have features to save you time and money by delivering exceptional

performance and versatility. Spray more square footage in a day and increase your productivity with all texture finishes as well as the wide range of primers and paint.

Description

The TexSpray 5900 HD is built with must-have features to save you time and money by delivering exceptional performance and versatility. Spray more square footage in a day and increase your productivity with all texture finishes as well as the wide range of primers and paint.

Chromex Endurance Piston Pump

- The most reliable pump. Lasts 2X Longer than the next leading brand.
- Long life ceramic and stainless steel balls included for maximum versatility.
- Faster cleaning with the QuikAccess intake foot valve.

MaxFlo 2 with Pack-Out Protection

- Less pack-out, more productivity.
- Self-cleaning Vibra-Seal Technology eliminates material build-up.
- Continuous spraying with True Pack-Out Protection for more productivity.
- Optimized fluid passageways for the heaviest coatings.

SmartControl 3.0

- Outfitted with an electronic pressure control system for high quality, consistent spray fan.
- Electronic pressure control reduces "dead-band" found with most mechanical pressure controls.

Rugged, Durable Cart Design

- Graco sprayers are built to last. The Chrome plated, welded steel cart is rugged and has telescoping handle with integrated hose rack.
- Full pneumatic wheels roll easily on most surfaces and absorb impacts and vibrations.

Advantage Drive System

- Provides performance with less weight.

Heavy-Duty Prime Valve

- Maintenance-free design withstands high pressure dumping.

Other Features

- Easy Out Pump Filter - cleans from the inside out, won't collapse
- Lift handles - on cart legs for ease in lifting
