Short Description

The Graco LineLazer ES 1000 is the industry's first electric striper. The LineLazer ES 1000 is powered by a lithium battery allowing it to be used safely indoors while having the power and performance needed for outdoor jobs.

Description

The industry's first electric striper, the LineLazer ES 1000 is powered by a lithium battery allowing it to be used safely indoors while having the power and performance needed for outdoor jobs. "Go Green" with this quiet, fume-free striper!

No Engine Noise

- Do any job anytime without disruptive engine noise.

No Engine Vibration

- Allows for perfect lines on all surfaces and reduces user fatigue.

No Engine Fumes

- Enables you to stripe indoors without production shut downs or disruptions.

100AH Lithium Battery - 1 battery only with this package

- Maintenance-free sealed battery design for striping up to 20 gallons per charge.
- Adding a second battery connected in parallel increases capacity, reducing voltage drop while under load, and triples run time allowing you to stripe up to 60 gallons per charge.

On-board 12V Charger

- Simply plug in to recharge, no need for battery removal.

230V Operation

- Get infinite striping time when using for stationary applications by running on 240V wall power. Just plug it in.

SmartControl 2.5

- Advanced pressure control system delivers consistent spray fan resulting in unmatched line quality.

Exclusive Endurance Pump

- Industry-best pump performance in this field-proven design.

New ProConnect System

- Industry-first for walk-behind stripers allows quick on the job pump replacement.

FastFlush

- FastFlush high flow cleaning system runs faster and dramatically reduces cleaning time. Available for the first time on a walk-behind striper.

New Gun Adjustment System

- Innovative gun adjustment design with "G" Clamp holder system.

Exclusive LineLazer Cart

- Industry's best balanced chassis for all day striping comfort.
