Short Description

The Graco Reverse a Clean airless spray guard attaches to all airless spray guns that are 7/8" thread. The guard acts as a safety device to prevent a persons body part to directly contact the tip when spraying paint, and also holds the paint sprayer tip in place

Description

Graco RAC V Airless Spray Gun 7/8" Tip Guard

The Graco Reverse a Clean airless spray guard attaches to all airless spray guns that are 7/8" thread. The guard acts as a safety device to prevent a persons body part to directly contact the tip when spraying paint, and also holds the paint sprayer tip in place

This guard will work with Graco's Reverse-A-Clean (RAC) IV and RAC V tips, as well as Graco's LineLazer striping tips (LL5). It will also work with a number of Titan and Wagner tips as well. This guard is not compatible with Graco's RAC X and FFT spray tips.

Graco Part No. 243161
