Description

The Contractor FTx Airless Spray Gun is the economical choice for everyday use while delivering the reliability and performance to achieve a professional finish. Includes a 2-finger trigger and a RAC X 515 SwitchTip and Guard.

Contractor FTx Airless Spray Gun, 2 Finger Trigger, RAC X Features -

Exclusive FlexSeal Needle

- Totally enclosed patented design eliminates needle's exposure to fluid, extends needle life by 70%, and ensures consistent needle shut-off
- Fluid pushes on seal to quickly shut off needle and reduce spitting
- Spring is located outside fluid path for better flow
- Helps eliminate pack out and slow needle shut-off

Reduced Gun Spitting

- Repositioned seat is closer to the tip, eliminating 60% of the dead space
- Less paint left between needle and tip results in less spitting

Ergonomic Design

- Form-fitted handle provides maximum control and comfort
- Detachable trigger guard swings clear of gun handle for easy filter access
- Lightweight design reduces operator fatigue

Trigger Lock and Gun Trigger

- Smooth, lightweight trigger pull with simple, thumb-engaged safety lock
- Contractor and FTx guns come with 2 or 4 finger triggers

Modular Needle Design

- Simply remove the trigger cross pin and unthread front housing to change out needle

EasyGlide Swivel

- Exclusive dual-seat swivel design reduces sealing friction under pressure, making this the best swivel on the market!

Easy Out Gun Filter

- Filters from the inside out to prevent filter from collapsing
- Interchangeable with all Contractor series guns

Graco Part No. 288429
