Description

The Heavy-Duty Blue Texture Airless Spray Gun is the ideal gun for heavy coatings and joint compounds. Includes a 4-finger trigger and a RAC X 531 SwitchTip and Guard.

Graco Heavy Duty Blue Texture Airless Spray Gun Features -

Oversized Fluid Path

- No-filter design offers minimal restriction and maximum flow
- Minimizes pack-out with heavy materials
- Reduces pressure drop for superior atomization

Ergonomic Design

- Form-fitting handles provide maximum control and comfort while spraying
- Optimized trigger and lightweight design allows effortless, all-day spraying

Patented Needle Design

- Factory set needle needs no adjustment – ever
- Heavy-duty design for maximum performance and long life

Jobsite Proven

- Perfect for skim coat in a Level 5 finish, drywall mud, epoxies and a whole range of paints and primers
- Contractor preferred

Graco Part No. 241705

Please note – This gun does not include a hose swivel. If you require a hose swivel you can buy either

-
