## Product Images

## Short Description

---

Spray two colors simultaneously with Graco's new LineLazer V 250DC Line Marker. Ideally suited for airports, municipalities or anyone who needs to spray highlight lines or other dual- color striping. The LineLazer V 250DC rewrites line-striping productivity and exhibity by spraying two colors simultaneously in patterns as wide as 36 inches.

## Description

Spray two colors simultaneously with Graco's new LineLazer V 250DC Line Marker. Ideally suited for airports, municipalities or anyone who needs to spray highlight lines or other dual- color striping. The LineLazer V 250DC rewrites line-striping productivity and exhibity by spraying two colors simultaneously in patterns as wide as 36 inches.

The Linelazer 250DC is equipped with a Honda GX Engine with electric start for ease of use. The Dual bead tanks can hold up to 240 lbs of beads (120 lbs each)

Use up to six spray guns to create straighter long lines with the front or rear gun mounts.

This model comes with 3 guns and includes 2 pressurised bead tanks.

**Graco LineLazer V 250DC HP Reflective Series Features:**

- Comfortable stand-on shock absorbing platform - Improved striping sight line, and easy to get on and off.
- Dual Graco Hydraulic Motors—No-Stall design provides uninterrupted performance
- Dual Endurance Displacement Pumps—Provides precise flow for a wide range of striping materials
- Electronic paint spray trigger provides quick response and reduces spraying hand fatigue.
- Automatic dashed lines simplify the application of parking lot lines.
- Auto-Layout.
- Smooth Ride pneumatic tires for reduced fatigue, vibration and long-straight lines.
- Large capacity 25 gallon (95 liter) paint hopper included - less paint refills.
- Easy Out Filter makes tip clogs a thing of the past.
- Siphons from disposable paint bucket, eliminating tank or pot cleaning hassles.
- Paint circles and arcs or easily switch to gun and spray stencils or large solid areas.
- Control accessible from standing position. Start and stop the engine, view distance and paint consumption, adjust pressure.
- Self-centering steering locks in place for a straight line and automatically swivels to turn.
- EZ Bead Pressurized System (Dual Tanks)
