## Product Images

## Short Description

---

Atomex AX/GM-60002 Suction Valve Gasket will suit all models of Atomex GM-60, GM-70G and LM-70. Will also suit Oldfields and Seiwa Airless Sprayers.

## Description

---

Atomex AX/GM-60002 Suction Valve Gasket should be replaced when replacing the suction valve. When removing suction valve the gasket or seal will tend to stay inside the head manifold, use a small pick to remove and refit the gasket before screwing in the new suction valve.
