## Short Description

The LineLazer V 200DC Standard Series provides a cost-effective dual color striping solution for smaller

applications. Maximize productivity with systems that provide quick and easy adjustments, including the EasyMark Gun Adjustment System, EZ Align Wheel Adjustment System and more.

## Description

---

The LineLazer V 200DC Standard Series provides a cost-effective dual color striping solution for smaller applications. Maximize productivity with systems that provide quick and easy adjustments, including the EasyMark Gun Adjustment System, EZ Align Wheel Adjustment System and more.

Ideal for smaller dual color jobs, the new LineLazer V 200DC simplifies the 2-color application process by combining the power of two units into one. With two large 10-Gallon material hoppers, striping contractors can improve their efficiency and profitability by eliminating the need for separate "yellow" and "white" machines and spending less time refilling materials.

### Standard LineLazer 200DC Features:

#### EasyMark Gun Adjustment System

- Simple guide mark system
- Easy gun on/off, front/back
- Perfect gun set up - every time

#### EZ Align Front Wheel System

- Keeps unit tracking straight
- Intuitive design

#### Dual Color Capable

- Two Units in One, No need for separate "yellow" and "white" machines

#### Large, Dual 10-Gallon Hoppers

#### Dual Graco Hydraulic Motors

- Uninterrupted Performance
- Proven no-stall design
- Stability for straighter lines from the industry's best-balanced chassis
- Accepts LineDriver user-friendly ride-on system

#### Exclusive LineLazer Cart
