Product Images

Short Description

Atomex AX/GM-60010 Outlet Valve Ball will suit all models of Atomex GM-60, GM-70G and LM-70. Will also suit Oldfields and Seiwa Airless Sprayers.

Description

Atomex AX/GM-60010 outlet valve ball. Outlet valve ball should be replaced as a pair with the outlet valve seat Part No. AX/GM-60011. Worn outlet valve ball and seat will cause a machine to loose pressure or the hose to have excessive vibration. Outlet valve balls are steel carbide for long life.

Atomex Part No. AX/GM-60010

This kit will suit the following models of airless sprayers –

- Atomex GM-60E Electric Airless Sprayer
- Atomex GM-70G Petrol Airless Sprayer
