Product Images

Short Description

Wagner 0580495 HEA Pressure Gauge and T Piece can be used on any airless sprayer up to 4000psi. Features a "green zone" pressure indication on the gauge which is designed for setting the optimum spray pressure when using Wagner HEA airless spray tips.

Description

Wagner 0580495 HEA Pressure Gauge and T Piece can be used on any airless sprayer up to 4000psi. Features a "green zone" pressure indication on the gauge which is designed for setting the optimum spray pressure when using Wagner HEA airless spray tips.

Wagner 0580495 HEA Pressure Gauge and T Piece will suit most brands and models of airless sprayers using 1/4" npt fittings and hoses.

Please note - This Gauge and T Piece is not compatible with Wagner Control Pro 150/250/350 Models. You will need to use [0580402A](#) Control Pro Pressure Gauge as these models have a unique size fluid outlet, hose and gun fitting.

Wagner Part No. 0580495
