Short Description

The all-new Graco Hydraulic DutyMax GH 230DI airless sprayer delivers every time when your job requires

proven dependable productivity and versatility for spraying heavier materials. Built for the commercial painting and texture contractor who is looking for workhorse hydraulic performance. The Graco DutyMax hydraulic direct-immersion sprayers handle the widest range of tip sizes, longer hose lengths and heavier coatings with ease.

Description

The all-new Graco Hydraulic DutyMax GH 230DI airless sprayer delivers every time when your job requires proven dependable productivity and versatility for spraying heavier materials. Built for the commercial painting and texture contractor who is looking for workhorse hydraulic performance. The Graco DutyMax hydraulic direct-immersion sprayers handle the widest range of tip sizes, longer hose lengths and heavier coatings with ease.

Features

- Extreme-Duty Max Pump—Built for the most demanding jobs, Graco’s Extreme-Duty MaxLife Pump delivers unmatched durability and life. Lasts 6X longer between repacks.
- Petrol Hydraulic Driven Airless Texture Sprayer.
- The Industry Standard in Hydraulic Sprayers for spraying paints, airless plasters and heavy duty coatings.
- Everyday Reliability.
- Spray the thickest materials from a bucket with the Direct Immersed Endurance Pump.
- Lasts longer thanks to Unique Hydraulic Technology.
- The Standard Series are built for professionals who don’t need extras, looking for everyday reliability to get the job done fast and easy.
- Oversized clearances ensure minimal pressure drop.
- Easy Out Design Filters from the inside out to prevent filters from getting stuck when dirty
- Heavy-Duty Prime Valve—Maintenance-free design withstands high-pressure dumping
- Honda® Engine—Compact, lightweight, and powerful, Honda engines are reliable, technologically advanced, and easy to start.
- The GH 230DI's High-Capacity Cooling System delivers rock-solid performance and keeps you up and running.
- ProConnect - Graco's ProConnect Pump Removal and Installation System makes it easy and fast to replace the pump.
- QuikReel—With the integrated QuikReel, you can deploy and rewind up to 300 feet of hose in seconds, letting you put the sprayer where you want it and the gun where you need it.
- Heavy-Duty Rock Catcher—Internal design stands up to hard impacts and provides unmatched pump protection.
