## Short Description

Finish Jobs 4X Faster. The JetRoller System with the Contractor In-Line Valve combines rolling and spraying to minimize overspray and deliver a quality finish with the speed, flexibility and comfort of airless spraying. The JetRoller will become THE best timesaving tool in your painting arsenal.

## Description

---

Finish Jobs 4X Faster. The JetRoller System with the Contractor In-Line Valve combines rolling and spraying to minimize overspray and deliver a quality finish with the speed, flexibility and comfort of airless spraying. The JetRoller will become THE best timesaving tool in your painting arsenal.

A better way to achieve a perfect rolled finish and ideal for rough and porous surfaces. Save time & money on spray/back roll jobs while eliminating messy roller trays or lugging heavy buckets with cumbersome paint screens and grids. Uses standard 9 in roller covers (sold separately).

- 2-in-1 Spray & Rolling System
  - Back rolling & spraying in one pass
  - Use as a spray extension or hand roller separately
- Low Overspray Design
  - Reduce prep and cleanup time on every job
- Lightweight, Detachable 9 in Roller Assembly
- 12 in Roller Handle Extension
- 20 in Heavy-Duty Extension
- In-Line Gun
- Includes RAC X LTX 721 SwitchTip and Guard

Graco Part No. 24U172
