Short Description

Finish Jobs 4X Faster. The JetRoller System with the Contractor In-Line Valve combines rolling and spraying to minimize overspray and deliver a quality finish with the speed, flexibility and comfort of airless spraying. The JetRoller will become the best timesaving tool in your painting arsenal.

Description

Finish Jobs 4X Faster. The JetRoller System with the Contractor In-Line Valve combines rolling and spraying to minimize overspray and deliver a quality finish with the speed, flexibility and comfort of airless spraying. The JetRoller will become the best timesaving tool in your painting arsenal.

A better way to achieve a perfect rolled finish and ideal for rough and porous surfaces. Save time & money on spray/back roll jobs while eliminating messy roller trays or lugging heavy buckets with cumbersome paint screens and grids. Uses standard 9 in roller covers (sold separately).

- 2-in-1 Spray & Rolling System
 - Back rolling & spraying in one pass
 - Use as a spray extension or hand roller separately
- Low Overspray Design
 - Reduce prep and cleanup time on every job
- Lightweight, Detachable 12 in Roller Assembly
- 12 in Roller Handle Extension
- 20 in Heavy-Duty Extension
- In-Line Gun
- Includes RAC X LTX 721 SwitchTip and Guard

Graco Part No. 24X605
