Short Description

SpitWater HE15-250P is the perfect machine for a commercial setting.

Description

SpitWater HE15-250P is the perfect machine for a commercial setting. Built with high quality components the SpitWater HE15-250P is renowned for its outstanding longevity. Coupled with the standard high quality 3/8 inch hose and gun with adjustable nozzle the SpitWater HE15-250P is the perfect machine for commercial use.

Spitwater high pressure water cleaners are specifically designed to solve all problems relating to washing, degreasing, descaling and disinfecting in a wide range of commercial and industrial situations. Their main applications are in the cleaning, building, transport, light and heavy manufacturing and primary industries.

Complete package comes with 10m 3/8" wire braided high pressure hose, gun and dual front lance with Hi-Lo valve.

Features:

Interpump with Ceramic Pistons and Brass Head

- Longer pump life, non corrosive pump head
- Reduced maintenance costs

Inlet Water Filter

- Stops debris from scoring pistons and seals

Pressure Gauge

- Easily monitor pump performance

Powder Coated Zinc Annealed Chassis

- Resistant to corrosion

Thermal Dump Valve

- Protects pump from over heating
