Short Description

SpitWater HP2430AE is the perfect machine for a commercial setting, electric key start.

Description

SpitWater HP2430AE is the perfect machine for a commercial setting. Built with high quality components the SpitWater HP2430AE is renowned for its outstanding longevity. Coupled with the standard high quality 3/8 inch hose and gun with dual front lance the SpitWater HP2430AE is the perfect machine for commercial use.

Honda GX630 V-Twin motor with electric key start.

Spitwater high pressure water cleaners are specifically designed to solve all problems relating to washing, degreasing, descaling and disinfecting in a wide range of commercial and industrial situations. Their main applications are in the cleaning, building, transport, light and heavy manufacturing and primary industries.

Complete package comes with 10m 3/8" wire braided high pressure hose, gun and dual lance with Hi-Lo Vale.

Features:

Oz-tuff Belt Drive

- 15% more power available than a gearbox
- No more Gearbox Oil Leaks (maintenance free)

Interpump with Ceramic Pistons and Brass Head

- Longer pump life, non corrosive pump head
- Reduced maintenance costs

Inlet Water Filter

- Stops debris from scoring pistons and seals

Pressure Gauge

- Easily monitor pump performance

Powder Coated Zinc Annealed Chassis

- Resistant to corrosion

Water By-Pass Cooling Tank

- Reduces potential damage to the pump in bypass
