Short Description

Atomex 214968 replacement Automatic Airless Spray Gun repair kit for the Graco Hydra Spray Automatic

guns & Atomex X-900 Automatic Spray Guns. Made in the USA.

Description

Automatic airless spray guns will require periodic service, over time and after many trigger pulls the carbide ball at the end of the needle will wear against seat on the diffuser. This will cause paint to leak or spit from the tip when the trigger is released.

Replacing the needle and diffuser (gun kit) is a normal part of airless sprayer maintenance and should be done as required. Keep a spare kit in your tool box to reduce down time on the job.

Gun repair kit will suit the following model guns -

Graco Hydra Spray Gun: 207614, 206513, 206887, 904372

Atomex X-900 Automatic Gun: AX/02-900-000A

Atomex Part No. AX/G214-968

Replaces Graco Part No. 214968

This gun repair kit will fit into guns that look like this
