

# Atomex HSP-10 Outlet Valve Replacement Kit

**\$33.04**  
**INCL. GST**

## Product Images

## Short Description

Atomex HSP-10 Outlet Valve replacement kit. Complete outlet valve to suit the Atomex HSP-10.

## Description

---

Atomex HSP-10 Outlet Valve replacement kit should have the threads coated with grease before fitting. Ensure that the plastic seal is located at the end of the valve whenever removing or refitting.

The outlet valve ball may stick to the seat if the machine is not cleaned properly or the ball could have rubbish jammed between the seat causing the machine not to prime or hold pressure..

**This part will suit the following model airless sprayers –**

- Atomex HSP-10 DIY Airless Sprayer

Atomex Part No. AX/HSP-10-016
