Short Description

Atomex AX/GM-20010A outlet valve service kit includes sealing washer, carbide ball seat, carbide ball, spring and ball guide.

Description

Atomex AX/GM-20010A outlet valve service kit includes sealing washer, carbide ball seat, carbide ball, spring and ball guide which will replace all of the worn components in the outlet valve.

Apply marine or equivalent grease to the threads and ensure the old sealing washer below the ball seat is removed and new washer fitted.

This part will suit the following model airless sprayers –

- Atomex GM-20E Airless Sprayer

Atomex Part No AX/GM-20010A
