Short Description

12mm True Blue Air/Water Hose Made In Australia is designed for compressed air applications for use in factories, workshops and on-site. Rugged Australian made air hose is renowned for its cold flexibility and abrasion resistance.

Description

12mm ID (internal Diameter Size) True Blue Air/Water Hose Made In Australia is designed for compressed air applications for use in factories, workshops and on-site. Rugged Australian made air hose is renown for its cold flexibility and abrasion resistance.

12mm True Blue Air/Water hose can be used for air tools and water transfer applications.

Manufactured in Australia using rubber material with PVC coating and polyester braiding this hose will not swell at the ends where fittings are connected and does not go hard in colder temperatures like cheap Asian made air hose.

Typical Applications -

- Compressed air supply hose for nails gun, air tools and spray guns.
- Water transfer applications

12mm True Blue Air/Water Hose is available in the following lengths –

12mm Air Hose Per Meter (up to 200m Length)*	Part No. AX13-300-012-***
12mm Air Hose x 20m Roll *	Part No. AX13-300-012-020
