Short Description

Wagner Trade Tip 3 Line Finish Reversible Spray Tips. Line marking tips will produce harder and sharper edges and been specially developed for line marking & road marking applications.

Description

A unique tip for high quality line striping and marking projects. Now with an even larger selection of tip sizes with different spray jet widths , the spray pattern of the line finish tip will result in precise clean lines.

Wagner spray tips are extremely durable manufactured from carbide and stainless steel to reduce wear and enable constant spray angle.

Wagner TT3 Line Finish Spray Tips are pressure rated to 5000psi.
