Product Images

Short Description

BondLoc B243 is an oil tolerant, medium strength threadlocker designed for direct application onto "as received parts" where an oily film exists or where contamination is a problem.

Description

BondLoc B243 is an oil tolerant, medium strength threadlocker designed for direct application onto “as received parts” where an oily film exists or where contamination is a problem.

Anaerobic adhesives cure only in the absence of air and in the presence of metal. They are designed to form a tough durable polymer with excellent chemical and environmental resistance properties.

Manufactured in the UK.

AA Spray Part No. AX/30-500-110
