Short Description

Nitto Purge Hi-Cupla SM Socket Male Thread compressed air connections eliminate unpleasant noise on disconnection of coupling, reduces dangerous hose whipping and one touch connection regardless of internal pressure.

Description

Nitto compressed air fittings have excellent durability and application characteristics that handle a wide range of industrial and plant applications.

Nitto Purge Hi-Cupla SM Sockets feature –

- Just push the plug in for one-touch connection. It is a single-handed operation.
- The exclusive lever action allows the valve to be opened and closed at will with the Cupla connected.
- Air is removed from the piping on the plug side, eliminating unpleasant shock and noise on disconnection.
- Safety design prevents the lever operated valve from opening when the plug is not connected.
- The possibility of connecting the Hi-Cupla plug gives excellent universal compatibility.

Nitto Purge Hi-Cupla SM Sockets are available in –

- PV-20SM with 1/4" Male BSP Thread
- PV-30SM with 3/8" Male BSP Thread
- PV-40SM with 1/2" Male BSP Thread
