Short Description

Nitto Rotary Plug PFF Female Thread for compressed air connections are available in RL-20PFF only. Rotary plug fits the tool at a 45 degree angle and will swivel to eliminate annoying hose load and wear on the fitting adapter.

Description

Nitto Rotary Plug PFF Female Thread greatly improves comfort in handling and reduces operator fatigue when using pneumatic tools.

Nitto Rotary IPug PFF Female Thread feature –

- Rotary plug for hose connection to pneumatic tools and pneumatic devices.
- Fits to the tool at 45 degree angle and eliminates annoying transfer of hose load.
- In pursuit of workability, we achieved a compact design by simplifying the body structure. Now lighter and smaller than previous models.
- New dust-proof design for durability.

Nitto Rotary Plug PFF Female Thread are available in –

- RL20PFF with 1/4" Female BSP threads

AA Spray stock a full range of Nitto Air Fittings with fast delivery Australia wide!
