Short Description

Nitto Twist Pug PM Female Thread for compressed air connections are available in, TS-20PFF only. Twist plugs have a free twisting neck for hose connections used on pneumatic tools and devices which eliminate hose twisting and kinking.

Description

Nitto Twist Pug PM Female Thread greatly improves comfort in handling and reduces operator fatigue when using pneumatic tools.

Nitto Twist Pug PM Female Thread feature –

- A plug with a free twisting neck for hose connections to pneumatic tools and devices.
- Free angle control provides comfortable job positions, even in narrow spaces or with overhead work.
- The flexible part is reinforced with self-lubricating plastics to give smooth bending action and excellent durability.
- Since the flexible part is only in the middle of the plug, connection to the socket is smooth and easy.
- Dust protector over the flexible part prevents dirt and swarf from entering.

Nitto Twist Pug PM Female Thread are available in –

- TS20PFF with 1/4" Female BSP threads
