## Product Images

## Short Description

Atomex AB351 Airbrush Starter Kit is designed for the first time user and includes gun, bottle and hose. This low cost airbrush starter kit is a great way to test your skills using an air brush and is popular for first timers.

## Description

---

Airbrushes are used for a wide variety of art work from decorating cakes to wild murals on motor cycle tanks, the “pen like” grip allows the applicator full control when spraying.

Atomex offers a variety of airbrushes & airbrush accessories suited for many applications including model aircraft, nail art and t-shirt design.

**Atomex AB351 Airbrush Starter Kit includes the following –**

- Airbrush with single action trigger
- Propellant regulator
- 2 x Paint jar
- 1/4" adaptor
- 1/16" air hose
- Adjustable spray pattern from 29mm to 50mm wide
- 12 Months Warranty

Atomex Part No. AX/14-100-201
