Short Description

Atomex Airbrush Quick Coupling 1/8" BSP Hose Fit makes connection and disconnection of your airbrush to you air hose easy. Suitable for 1/8" BSP airbrushes and hose connections only.

Description

Atomex Airbrush Quick Coupling 1/8" BSP Hose Fit makes connection and disconnection of your airbrush to you air hose easy. Suitable for 1/8" BSP airbrushes and hose connections only.

One touch coupling design allows the hose to simply be pushed on and pull the sleeve back to disconnect. Designed for airbrushes only with 1/8" fittings and air hoses with 1/8" fittings.

Atomex Part No. AX/14-100-008
