Short Description

Wagner GM5000 EA Low Pressure Electrostatic Air Spray Gun is designed for superior finishes for high quality surfaces using lower pressure with high electrostatic transfer efficiency.

Description

Wagner GM5000 EA Low Pressure Electrostatic Spray Gun can be used with a double diaphragm pump or pressure pot and is suitable for a wide range of industrial and 2K paints* for coating not only with metal but also plastic & even timber.

* Not all paints can be sprayed with Electrostatic Spray Guns, contact our office for additional information.

The Wagner GM5000 EA electrostatic spray gun can be used with two types of nozzles –

- AF 5000 Flat Jet Nozzle
- AR 5000 Round Jet Nozzle

Wagner GM5000 EA electrostatic spray guns offer two types of aircaps to suit different spray applications –

- Flat Spray Aircap AF 5000 (Colour coded by size)
- Round Spray Aircap AR5000

Wagner GM5000 EA Low Pressure Electrostatic Spray Gun will require the following additional items to be purchased in order to make it work -

- VM500 or VM5000 Control Unit
- 10m, 15m or 20M Paint Hose, Air Hose, Power Cable Kit
- Aircap & Nozzle

The Wagner GM5000 EAC gun can be used with any low pressure double diaphragm pump or any size pressure paint pot.
