## Description

---

Graco 288479 Piston Rod will suit Graco GH130 airless sprayers and LineLazer 130HS line marking machines. When replacing packing seals on your pump inspect the piston rod for wear, the piston rod shaft must be true, straight and have no wear marks, ripples or elongated scratches. Any wear or damage to the piston may cause the pump to leak externally or internally and will certainly reduce the life of your new packing seals.
