Short Description

Graco 194306 Replacement Suction Hose 1" ID can be used to replace worn out, blocked and kinked suction hose. Highly durable suction hose features a white smooth UHMWPE internal lining reinforced with high strength synthetic cord plus wire helix and anti-static copper wire.

Description

Graco 194306 Replacement Suction Hose 1" ID can be used to replace worn out, blocked and kinked suction hose. Highly durable suction hose features a white smooth UHMWPE internal lining reinforced with high strength synthetic cord plus wire helix and anti-static copper wire.

Suction hose can be used with both waterborne and solvent based materials and is highly resistant to kinking making this the best choice of hose for replacing old suction hoses.

Graco 194306 Replacement Suction Hose will suit the following models –

- Graco LineLazer III 3900
- Graco LineLazer III 5900
