F.A.Q. (Frequently Asked Questions) about DeVilbiss Spray Guns

Are these genuine DeVilbiss spray guns?

Yes, we only sell genuine DeVilbiss spray guns and parts. AA Spray are an authorised Australian DeVilbiss, Binks & Ransburg distributor and authorised repair service agent.

Are DeVilbiss spray guns made in the UK?

Yes, all DeVilbiss spray guns are manufactured in the UK.

Why are our prices cheaper?

AA Spray bulk buys DeVilbiss spray guns which enables us to offer lower prices, we do make less money but we sell more guns while providing our customers with the most competitive prices in Australia on the FLG-5.

Does the DeVilbiss FLG-5 spray gun include the plastic cup?

Yes it does.

Does the DeVilbiss spray gun come with warranty?

Yes, all guns have 12 months warranty and the warranty is supported by DeVilbiss. Guns purchased overseas may not be covered by warranty in Australia.

I have seen DeVilbiss guns on ebay for half the price?

Generally speaking, if you see a DeVilbiss spray gun advertised incredibly cheap on Ebay then it is probably a knock off. Check where the seller is located, if they are an Australian seller and they have a legitimate business then this will be genuine. If the seller is located in Hong Kong, or China then the gun will be a copy or knock off. Ebay has plenty of dodgy DeVilbiss guns for sale.

If I purchase a gun today, when will it be sent?

All on-line orders before 2.00pm Monday to Friday will be despatched the same day. Generally deliveries take anywhere between 1-3 working days depending on your location but the majority of customers receive deliveries very quickly.

Can I buy a DeVilbiss gun in your store?

Yes, our store is open from 8.00am - 5.00pm Monday to Friday, we hold all models in stock and these can be purchased over the counter. Our address is 30 Prince William Drive, Seven Hills NSW 2147

Can I call and ask questions?

Yes, our store is open from 8.00am - 5.00pm Monday to Friday and you can contact on phone number (02) 9644 1040

How long has AA Spray been in business?

Our business was started in 1993 and we sell most major brands of airless spray and spray painting equipment for automotive, painting contractors, line markers and industrial paint applicators.
