## Product Images

## Short Description

---

Airlessco 331-029 LP Suction Ball Guide will suit most "Little Pro" model airless sprayers & SureStripe 3650/4050 line marking machines. Complete pump kit includes all leather/teflon packing seals & balls.

## Description

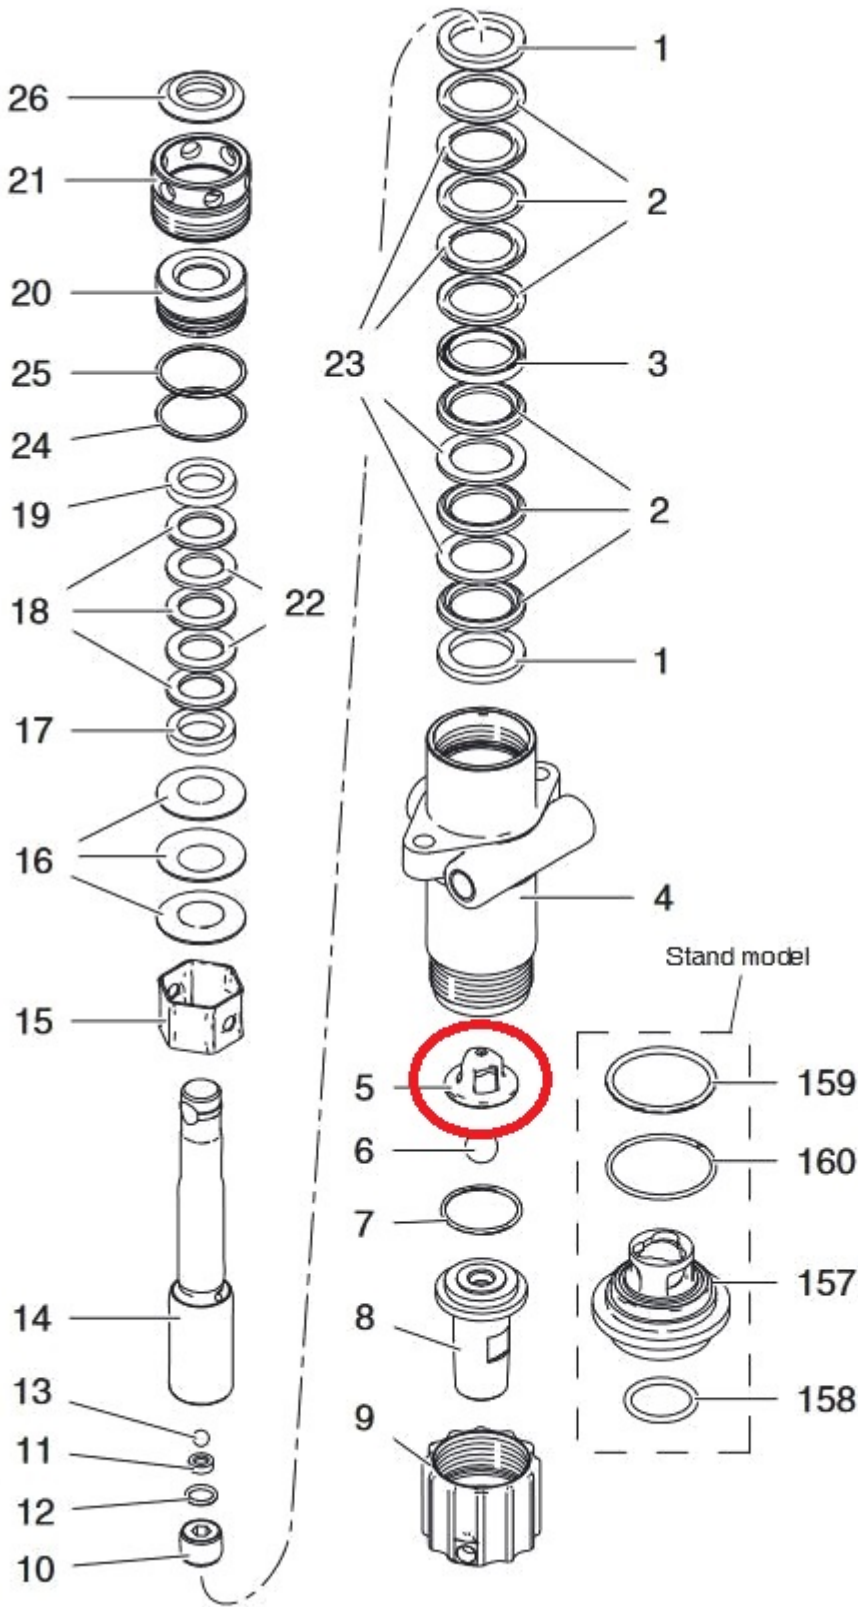

---

Airlessco 331-093 Replacement LP Piston Assembly will suit both old and new model LP or "Little Pro" airless sprayers. Please note that MP400 and LP400 new models in stand frames do not use this suction ball guide, these models will require the newer style Suction Seat Assembly Airlessco Part No. 331051.
