## Product Images

## Short Description

---

Airlessco 331-025 LP Belleville Spring will suit all "Little Pro" model airless sprayers, SureStripe 3650 & SureStripe 4050 Line Marking machines.

## Description

---

Airlessco 331-025 LP Belleville Spring will suit all "Little Pro" model airless sprayers, SureStripe 3650 & SureStripe 4050 Line Marking machines. LP pumps require three Belleville springs and they need to be fitted in the correct order to ensure maximum performance.

### Belleville Spring Order

Slide spring over the top of the piston in the following order:

 **First spring, curve facing down**

 **Second spring, curve facing up**

 **Third spring, curve facing down**
