## Description

---

The LineLazer V ES 2000 HP automatic series with 2 auto guns provides automatic, fume-free, noise-free and vibration-free striping performance on any indoor job as well as the power and features to deliver the highest productivity needed to tackle large outdoor applications.

Complete any job at anytime without production shut downs or disruptions while delivering perfect lines on all surfaces and improving jobsite conditions to reduce user fatigue. Higher output capability supports 2-gun operations and LiveLook Display provides real-time job performance data.

### LiveLook Display

- Real-time Job Performance Data. Tracks all aspects of your job.

### No Engine Noise

- Do any job anytime without disruptive engine noise.

### No Engine Vibration

- Allows for perfect lines on all surfaces and reduces user fatigue.

### No Engine Fumes

- Enables you to stripe indoors without production shut downs or disruptions.

### 100 Ah Lithium batteries for quiet operation

- Two maintenance-free 12 V, 100 Ah lithium batteries
- Stripe immediately up to 325 litres per charge
- Bluetooth monitoring via smartphone app
- 3 year warranty

### On-board 12V Charger

- Simply plug in to recharge, no need for battery removal.

### Automatic paint gun system

- Push button control for lower operator fatigue and accurate (skip-)lines
- Manual, semi- and automatic guns/mode

### Auto-layout II

- SmartControl™ measures while you walk and puts down pre-marks
- No need for measuring tape or string lines cutting
- Cuts your parking lot layout time in half

### 230V Operation

- Get infinite striping time when using for stationary applications by running on 240V wall power. Just plug it in.

### SmartControl

- Advanced pressure control system delivers consistent spray fan resulting in unmatched line quality.

### Exclusive Endurance Pump

- Industry-best pump performance in this field-proven design.

### New ProConnect System

- Industry-first for walk-behind stripers allows quick on the job pump replacement.

### **New Gun Adjustment System**

- Innovative gun adjustment design with "G" Clamp holder system.

### **Advantage Drive**

- The Longest Lasting Drive, Improved jobsite conditions with extremely quiet operation.

Graco Part No. 25U682 (Single Gun Manual and Single Gun Automatic Operation)

Graco Part No. 25U686 (Double Gun Automatic Operation)
