Description

The Atomex GM-70G petrol powered airless sprayer is a great all purpose airless sprayer for domestic, commercial and roof painting applications. Powered by a GX160 Honda Motor for extra reliability.

The Atomex GM-70G is an all purpose petrol powered airless sprayer, used widely by painting contractors for new and existing architectural coatings, roof restoration coatings and has been adopted as the standard airless sprayer by many hire companies across Australia.

Using an Australian compliant genuine Honda GX-160 petrol motor this is the ideal sprayer for roofing or large outdoor painting applications where electricity is not available.

Atomex GM-70G Airless Sprayer Suction Package

The Atomex GM-70G comes standard with 20 litre drum suction hose set, 15m paint hose, Atomex X-360 airless spray gun and 517 Atomex X-75HD reversible spray tip.

The Atomex GM-70G airless paint sprayer features:

Australian EPA Compliant Honda GX-160 Petrol Motor

Strong chrome plated frame with folding handles

Rugged "one piece hub" pneumatic tyres

No electronics, sensors or microprocessors to fail

Can be run on a 3.5kva generator or larger

Pump will support 45m of paint hose for greater access

Large hose hooks that will hang 30m of paint hose

Comes standard with the Atomex X-360 airless spray gun

25 Months Warranty for commercial use

Simple mechanical pump designed that has been used for over 35 years

Atomex is Australian Owned
